

## SUMMER 2022 FIND PEACE – PURSUE ADVENTURE

The older I get the faster years seem to fly by. It was just over a year ago when I picked up Guerda and our kids from the airport to officially begin our Shiloh adventure. These past 12 months have been PACKED full of all kinds of adventures, from difficult learning experiences to amazing blessings that have left us in Awe of God’s plan. I’m beyond grateful for the mentorship and experience of Jon Frank, Shiloh’s founding director, and the members of the Shiloh board and staff for their guidance and grace as I get my bearings and lead this ministry into its next chapter. Looking forward... I’m excited! I am confident that with the Lord’s blessing and the support from those who care about this ministry, we will see many more lives changed in significant ways here at Shiloh!

• **Guerda has joined the full time team!** Guerda is now Shiloh’s “Steward of Guest Services”. She will be overseeing our foodservice and housekeeping departments. I may be a bit biased, but I honestly could not think of a better person to take on such a significant role in the Ministry. Her attention to detail, love for hospitality and pursuit of excellence will no doubt be felt by our guests.

- **Camp is full!** Our summer schedule is totally booked. We have full sails to the wind and our staff have been working tirelessly serving our guests. Nearly every day of the week, our chapel seats are full of people hearing the gospel and being transformed by its power!
- **New things coming!**

We have got some exciting vision and plans unfolding over the next year (God willing) that will significantly enhance the guest experience! These include a brand new escape room, a new canopy zipline tour featuring a super fun tree house, and a “Shiloh Café” that will be a comfortable place for guests to enjoy a cup of coffee or a milkshake and spend time together. It is our prayer that these together with some smaller but also meaningful projects will continue to inspire our guests to

find peace and pursue adventure! If you would like to help us with any of these projects in any capacity at all, please reach out and let us know! We won't be able to do it without your help!

- **Help wanted!** We are seeking a full time Steward of Grounds & Facilities person to join our team as soon as possible! This is a significant role at Camp Shiloh. If you, or anyone you know, may be interested in this position please visit our website for more information.

**Thank You!**

The ministry of Shiloh Bible Camp would not be possible without your continued prayer, financial support, and the gift of your time to serve alongside us. We are so grateful that you are a part of the Shiloh team! Please continue to pray for us during this very busy season!

With Love & Blessings! -Tim Prairie
